Three-Year Term Contract with Two Years of Renewal Options for Polymers for Water Treatment Plants for the Water Resources Department (Single Bid Response) **(Citywide)**

This contract will provide for the purchase and delivery of various polymer products that are used in the water treatment process at the Brown Road and Signal Butte Water Treatment Plants. Polymers are critical in treating raw water to meet water quality standards under the Safe Water Drinking Act.

The Water Resources Department and Procurement Services recommend awarding the contract to the single, responsive, and responsible bidder, Polydyne, Inc. at \$320,000 annually, based on estimated requirements.
