Use of a Cooperative Contract for the Purchase of Seven Ambulances (5 Replacements and 2 Additions) for Mesa Fire and Medical Department (**Citywide**)

This purchase will support the transition to providing both Basic Life Support and Advanced Life Support transport services and will increase the City's fleet to 30 vehicles. One ambulance is a demo unit which is advantageous due to the immediate availability of the unit.

Mesa Fire and Medical Department and Procurement Services recommend authorizing the purchase using the Houston-Galveston Area Council (H-GAC) cooperative contract with Professional Sales and Service, LLC at \$2,728,374.83, based on estimated requirements. This purchase is funded by the Ambulance Transport Fund.
