Title:	Replacement/Upgrade Purchase of a Wireless Microphone System for the Arts and Culture Department (Citywide)		
	This purchase will provide a wireless microphone system including 16 wireless microphones and bodypacks. The existing system is being upgraded due to the new FCC requirement that all users vacate the 600mhz spectrum. Pricing includes a \$7,000 rebate for turning in the existing system.		
	The Arts and Culture Department and Purchasing recommend awarding the contract to the lowest, responsible and responsive bidder, Westlake Pro, Inc., at \$31,143.55. This purchase is funded by the Mesa Arts Center Restoration Fund.
