

Legislation Details

File #:	21-0313	Status:	Agenda Ready
Type:	Resolution	In control:	City Council
On agenda:	4/5/2021		
Title:	Approving and authorizing the City Manager to enter into a one-year Intergovernmental Agreement (IGA) to lease a portable G2 encoding system to the Rio Verde Fire District (RVFD). RVFD needs an enhanced encoding system to provide dependable emergency alerting to provide 24-hour emergency service from their temporary trailer station while a second permanent station is built in their system. The City of Mesa Fire and Medical Department's (MFMD) portable USDD/G2 station alerting package provides the consistency desired and the enhanced system required consistent with Mesa Regional Dispatch Center alerting procedures.
