

Legislation Details

File #: 21-0912

Type: Contract **Status:** Agenda Ready
 In control: City Council

On agenda: 9/13/2021

Title: Purchase of GeneMapper ID-X Software (Additions) for the Mesa Police Department (Sole Source) (Citywide)

The Mesa Police Department, Forensic Services Biology Unit completes DNA analysis of samples from criminal investigations conducted by the Mesa and Gilbert Police Departments and will be providing forensic laboratory services for the Tempe Police Department. Due to the IGA with Tempe, laboratory DNA staff will be increasing and three additional software licenses are needed.

The Police Department and Purchasing recommend awarding the contract to the sole source vendor, Life Technologies Corporation, at \$44,975.31, based on estimated requirements. This purchase is funded by a FY 2019 Capacity Enhancement and Backlog Reduction Grant.
