

Legislation Details (With Text)

File #: 21-0939

Type: Contract

Status: Agenda Ready

In control: City Council

On agenda: 9/20/2021

Title: Dollar-Limit Increase to the Term Contract for Emergency and Non-Emergency Response for Unknown, Hazardous and Non-Hazardous Materials for the Environmental Management and Sustainability Department (Citywide)

This contract will provide both emergency and non-emergency response for cleanup and disposal of unknown, hazardous, and non-hazardous materials. The increase is needed for upcoming projects and on-going calls for emergency and non-emergency cleanup requests. This year there have been several unusual and costly cleanup requests

The Environmental Management and Sustainability Department and Purchasing recommend increasing the dollar-limit with Kary Environmental Services, Inc. (a Mesa business) (Primary), and Environmental Response, Inc. (Secondary), by \$45,000 from \$105,000 to \$150,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.
