Title: Three-Year Term Contract with Two Years of Renewal Options for Concrete Installation, Repair, and Utility Adjustments for the Transportation Department (Citywide)

The contractor will provide all labor, materials, equipment, and tools required to perform concrete installation and repair services. Utility adjustment services will include minor concrete work and the adjustment of gas and water valves, survey monuments, sewer cleanout, and manholes associated with utility cut repairs and/or failed utility frames and other related services.

An evaluation committee recommends awarding the contract to the highest scored proposal from Lincoln Constructors, Inc., at \$6,369,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index. This purchase is funded by the Local Streets Fund.
