Title: Purchase of a Portable Standby Generator (Addition) for the Energy Resources Department (Citywide)

Energy Resources requires a generator capable of paralleling (interconnecting to produce greater combined amperage) with the fleet of generators the department currently maintains. The only manufacturer that offers a generator with this functionality is Caterpillar.

The Energy Resources Department and Purchasing recommend authorizing the purchase using the Omnia Partners cooperative contract with Caterpillar, Inc. through Empire Power Systems (a Mesa business), at \$400,000, based on estimated requirements.
