This contract will provide landscape, mowing, and irrigation services required to maintain and improve landscape assets located within the right of way, roadway medians, transit centers, bus stops, multi-use pathways, and other City maintained properties. Landscape maintenance locations are divided into five landscape route areas and four turf route areas that are maintained on cyclical schedules, depending on service levels and needs.

The Transportation Department and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidders, Reyes & Sons Landscaping, LLC and Mariposa Landscape Arizona, Inc., at \$2,600,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index. This purchase is funded by the Highway User Revenue Fund and Local Streets Fund.
