Title:	Use of a Cooperative Contract for a Three-Month Term Contract with Four Years of Renewal Options and Dollar-Limit Increase for 3M Reflectorized Sign Sheeting for the Transportation Department (Citywide) The Department uses reflectorized sign sheeting to fabricate traffic control signs maintained throughout the City for public safety. The dollar limit increase is required due to annual usage and vendor pricing increases. The Transportation Department and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contract; and increasing the dollar-limit with 3M Company, by \$15,000, from \$25,000 to \$40,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.
