Title:	Purchase of Two Gas Delivery and Breaching Systems for Armored Vehicles (Additions) for the Mesa Police Department (Sole Source) (Citywide)		

This purchase will provide DRACO breaching operational equipment for the two Lenco BearCat armored vehicles being purchased by the Department. The new DRACO Gas Delivery System will equip operators with a gas delivery system capable of remotely delivering up to eight chemical gas canisters and two noise flash diversion devices from the safety of an armored vehicle. It is a multi-use tool designed specifically for the safe delivery of command-initiated, indoor safe baffled chemical grenades and noise flash diversion devices into a hostile environment, including hardened structures and/or vehicles.

The Fleet Services and Police Departments and Purchasing recommend authorizing the purchase with the sole source vendor, JN Tactical, for \$44,296. This purchase is funded by Public Safety Sales Tax.
