Title: Three-Year Term Contract with Two Years of Renewal Options for Bio-Solids Removal and Re-Use/Disposal Services for the Water Resources Department (Citywide)

This contract will provide a contractor for the removal and reuse/disposal of dewatered biosolids from the City's Northwest and Greenfield Water Reclamation Plants. These plants produce a combined average of 106 wet tons of dewatered bio-solids per day that must be removed from the plant sites daily.

An evaluation committee recommends awarding the contract to the highest scored proposal from Synagro West, LLC at \$1,086,000 annually, with an annual increase allowance of up to 5% or the adjusted Consumer Price Index.
