Type: Contract

Status: Agenda Ready

In control: City Council

On agenda: 11/20/2023

Title: Gantzel Road High Pressure Gas Line Installation - Pre-Construction Services and Construction Manager at Risk (CMAR)

This project includes installation of a 12-inch diameter high-pressure natural gas pipe within the Magma Gas System in Pinal County to accommodate future regional development and growth.

Staff recommends selecting Achen-Gardner Construction, LLC, as the CMAR for this project, and awarding a pre-construction services contract in the amount of \$209,595. This project is funded by Utility Systems Revenue Obligations.
