Three-Year Term Contract for Asbestos and Lead-Based Paint Abatement Services for the Environmental Management and Sustainability Department **(Citywide)**

This contract will provide pre-qualified contractors for the abatement of hazardous materials primarily containing asbestos and lead-based paint in both emergency and planned responses at City facilities or with City projects on an as-needed basis. The services ensure the City's projects are completed in a safe manner that adheres to regulations.

The Environmental Management and Sustainability Department and Purchasing recommend awarding the contract to the highest-scored respondents: Builders Enviro Services, Inc.; Comprehensive Risk Services, LLC; East Valley Disaster Services, Inc. (a Mesa business); Kary Environmental Services, Inc. (a Mesa business); Sagebrush Restoration, LLC; Southwest Hazard Control; and Spray Systems of Arizona, Inc., dba Spray Systems Environmental; cumulatively not to exceed \$150,000 annually, based on estimated requirements. This annual contract is funded by the Environmental Compliance Fee and Capital Improvement Program - CIP Funds.
