One-Year Renewal to the Term Contract for Fire Hydrant Water Meters for the Water Resources Department **(Citywide)**

This contract provides 3" fire hydrant water meters to accurately measure construction water use of fire hydrants. The meters are installed by Water Utility staff to serve contractors and other customers needing to connect to City fire hydrants for temporary construction water service and dust control purposes.

The Water Resources Department and Purchasing recommend authorizing the renewal with Badger Meter Inc., dba National Meter Automation, at \$35,000, based on estimated usage.
