Purchase of an Annual Subscription of a Law Enforcement Web-Based Training Platform (Addition) (Sole Source) **(Citywide)**

This purchase is for a subscription to a web-based training platform that has been evaluated and vetted by law enforcement and subject matter experts throughout the country. This is a tailored learning solution that will provide full access for 1,250 law enforcement personnel for one year.

City staff recommends authorizing the purchase from the sole source vendor, Lexipol, at \$56,034, based on estimated requirements.
