File #: 21-0017, **Version:** 1

Purchase of Two, Mohawk TP-16 Two-Post Lifts (Replacements) for the Fleet Services Department (Citywide)

The Fleet Services Department has two in-ground lifts that have passed their 20-year service life and need to be replaced. Replacing the in-ground lifts with above-ground lifts will provide a safer working environment for the technicians and mitigate the risk of ground contamination from an in-ground tank oil leak.

The Fleet Services Department and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contract with Mohawk Automotive Lifts S.W., at \$33,270.37, based on estimated requirements.
