Ratification of the Emergency Purchase of AZ Labs Chiller Rental for the Parks, Recreation and Community Facilities Department (PRCF) **(Citywide)**

The chiller at AZ Labs had a catastrophic failure and could no longer be repaired, parts are obsolete. Temporary cooling was needed so PRCF procured a chiller rental until new chillers are installed. City of Mesa rents space to AZ Labs and cooling is essential to their business. The chiller also services a building at Phoenix-Mesa Gateway Airport.

The Parks, Recreation and Community Facilities Department and Purchasing recommend ratifying the purchase with Aggreko, at \$26,034.60.
