Three-Year Term Contract with Two Years of Renewal Options for Storm Drain Pump and Maintenance Repair for the Transportation and Parks, Recreation and Community Facilities Departments **(Citywide)**

The City performs maintenance, repairs, and emergency repairs on its storm drain pumps. This vendor will provide pump maintenance used to support pump inspections, maintenance, and repairs.

An evaluation committee recommends awarding the contract to the highest scored proposal from RediPump, LLC, at \$700,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.
