Three-Year Term Contract with Two Years of Renewal Options for Weed Management and Landscaping Services for the Water Resources Department (**Citywide**)

This contract will provide a qualified contractor to perform bare ground weed management and landscaping services at the City's water reclamation and treatment plants. Landscaping services include tree and shrub trimming, blower cleaning of walkways, entrances, driveways, and removal of debris, weeds and dead vegetation.

An evaluation committee recommends awarding the contract to the highest scored proposal from Apex Landscape Management LLC, dba, Apex Landscape Maintenance, at \$125,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.
