One-Year Term Contract for Dynamo Playground and Park Equipment Custom Replacement Parts and Repairs for the for the Parks, Recreation and Community Facilities Department (PRCF) (Sole Source) **(Citywide)**

PRCF has seven parks that have custom-built, proprietary playground equipment provided by Dynamo Industries, including the Genesis and the Big Green Climber at Riverview Park and the Orange Monster at Eastmark. This contract will provide parts, repairs and add-on equipment for Dynamo playground and park equipment.

This contract will repair significant damage at the Orange Monster and recent damage from a traffic accident to the Big Green Climber.

The Parks, Recreation and Community Facilities Department and Purchasing recommend awarding the contract to the sole source vendor, Dynamo Industries at \$300,000, based on estimated quantities.
