Purchase of Five Emergency Response Vehicles (All Additions) for the Mesa Fire and Medical Department **(Citywide)**

Mesa Fire and Medical Department will purchase these ambulances to address the current COVID public emergency. Using the cooperative contract for this purchase is in the City's best interest. These ambulances will be rotated into service as other units are taken out of service for cleaning and disinfection. They will remain in the fleet after the pandemic subsides.

The Mesa Fire and Medical Department and Purchasing recommend authorizing the purchase using the Houston-Galveston Area Council (H-GAC) cooperative contract with Professional Sales and Service, L.C., at \$1,416,488.19, including sales tax, based on estimated requirements. This purchase is funded by American Rescue Plan Act funding.
