### One-Year Term Contract with Four, One-Year Renewal Options for Citrus Groves Maintenance for the Engineering Department (Single Proposal Response) **(Citywide)**

The Contractor will maintain ten blocks of citrus groves (210 acres) near the Falcon Field Airport. The City is actively marketing for the future development of three northern blocks comprised of approximately 63.5 acres. The remaining seven southern blocks are being evaluated for long-term options due to the aging citrus groves.

An evaluation committee recommends awarding the contract to the single and qualified proposal from Armistead Farms LLC (a Mesa business), at \$163,800 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.
