Three-Year Term Contract with Two Years of Renewal Options for Landscape Refurbishment Services for the Transportation Department (Single Response) **(Citywide)**

Transportation refurbishment projects are designed in-house and replace existing deteriorated streetscapes. The Contractor will be responsible for completing these refurbishment projects, leaving them in turnkey condition for the department.

The Transportation Department and Purchasing recommend awarding the contract to the single, responsive, and responsible bidder, Brightview Landscape Services, Inc., at \$1,447,700 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.
