One-Year Term Contract for Qiagen Consumables and Supplies for DNA Analysis for the Mesa Police Department (Sole Source) **(Citywide)**

In April 2009, Council approved the purchase of a QIAGEN QIASymphony instrument for the Police Department's Forensic Services Division to analyze DNA cases. To complete DNA extractions, consumable kits and supplies are required.

The Police Department and Purchasing recommend awarding the contract to the sole source vendor, QIAGEN, Inc., at \$200,000 annually, based on estimated usage.
