### **Purchase of Ellipsoidal Lighting Fixtures (Replacement/Upgrade) for the Arts and Culture Department (Citywide)**

This contract will provide ETC Source Four LED stage lighting. The purchase is for the replacement of sixty-one fixtures, LED versions that are capable of line-level dimming. The lighting fixtures that are being replaced are original to the Mesa Arts Center building, built in 2005. This upgrade is part of the Mesa Arts Center's effort to become more environmentally friendly, while improving the lighting in the various areas where the lighting fixtures are located.

The Arts and Culture Department and Purchasing recommend awarding the contract to the lowest, responsive, and responsible bidder, Clearwing Systems Integration, LLC, at \$70,000.
