One-Year Term Contract with Four Years of Renewal Options for Magnesium Anodes for the Materials and Supply Warehouse (for the Energy Resources Department) **(Citywide)**

This contract will provide 1 and 32 pound magnesium anodes for use in the City's natural gas distribution system. Anodes protect against galvanic corrosion of steel pipe. These anodes will be used by Gas Utility for new construction projects and the maintenance and repair of existing utilities.

The Business Services and Energy Resources Departments and Purchasing recommend awarding the contract to the lowest, responsive, and responsible bidder, International Corrosion Control, Inc., at \$116,000 annually, with an annual increase allowance of up to 5%, or the adjusted Producer Price Index.
