### Three-Year Term Contract with Two Years of Renewal Options for Three Master Job Order Contracts for General Building Construction Services **(Citywide)**

Job Order Master contracts for general building construction services include renovations and repairs, additions, demolition, and facility improvements for City buildings and facilities.

Staff recommends approving Brycon, McCarthy, and SDB Contracting Services for Job Order Master Contracts for General Building Construction Services for a period of three full years, with the option to extend the contracts for two additional one-year option periods, based on successful contractor performance and City concurrence. These three master contracts allow for the issuance of multiple individual job orders with a limit of \$4,000,000 per job order, or as otherwise approved by Council.
