The Transportation Department created a new lifecycle budget to upgrade their Calsense irrigation system. The increase is needed for this upgrade to a new centralized irrigation system.

The Business Services and Transportation Departments and Purchasing recommend increasing the dollar limit with Sprinkler World of Arizona, Inc.; Ewing Irrigation Products; and Horizon Distributors, Inc.; Years 4 and 5 by \$350,000, from \$690,000 to \$1,040,000 annually. This purchase is funded Lifecycle Program Funds and the Transportation Department operating budget.
