File #: 23-0064, **Version:** 1

Dollar Limit Increase to the Term Contract for Residential Refuse and Recycling Containers for the Solid Waste Department **(Citywide)**

This contract supplies 35-gallon, 65-gallon, and 95-gallon plastic refuse and recycling containers for residential and commercial use on an as-needed basis. This contract ensures Solid Waste has a supply of containers to meet the requirements of the City's refuse and recycling container inventory. The increase request is due to the two-month extension as well as an increase for needed orders. The Department estimates an additional 9,624 new barrels are needed at a total cost of \$602,765 to get through 3/31/2023, based on purchases for the current term.

The Solid Waste Department and Purchasing recommend increasing the dollar limit with Duramax Holdings LLC dba Otto Environmental Systems; Schaefer Systems International, Inc.; and Tank Holding Corporation; by \$610,000, from \$1,640,000 to \$2,250,000 annually.
